

To make class without trouble

After you get your matching partner, please decide these kinds of things below not to make trouble after class starts.

① Class fee

TAKOYAKI introduce both of users with considering of answer of class fee, and please decide class fee details with your partner.
(tuition fee will be 10% of class fee per each class.)

② How often you will hold class

TAKOYAKI already consider of this condition too, and please decide it too.

③ Way to hold class

Please talk with your partner the way to hold class most of you may chose zoom or skype for it-, and please decide it.

(we don't suggest to hold class with direct meeting because it can cause troubles.)

④ Content of class

You both should talk about content of your class. For example, some students want to learn languages to take license or want to talk with foreigners. TAKOYAKI already check you both conditions, so it may not difficult to decide them.

⑤ When all of them decided, please submit it from “submit form of class details” in your “my page”.
